

## GENOME RUSSIA workshop schedule

28.09.15 - arrival of the participants

### 29.09.2015 SPSU Geographic faculty Hall, 33 10th line

9:00-9:10	The Rector of SPBU N.Kropachev - welcome.
9:10 -9:15	The administrative Leader of the Project I. Dementiev - greeting
9:20-9:40	The Sci Supervizer of the Project Stephen O'Brien - welcome and Intro
9:40-9:55	The Chair of Atnography and Antropology in SPBU A. Novozhilov - Ethnographic methods for genome projects
9:55-10:10	V.Brukhin - Expeditions and samples collection
10:10-10:25	IMG (Moscow) S. Limborska - Human Genomes Research
10:25-10:40	IMG (Moscow) P. Slominski - Samle collection for the project

### 10:40-11:15 Coffee Break

11:15-11:30	NIIMG (Tomsk RAS) Stepanov - Comments and Suggestions on the GR project
11:30-11:45	GSU RAS (Ufa) E. Khasnutdinova - Comments and Suggestions on the GR project
11:45-12:00	NSMU (Novosibirsk) M. Voevoda - Comments and Suggestions on the GR project
12:00-12:15	IGG RAS O. Balanovsky - Biobank Notzern Eurasia. Comments and Suggestions on the GR project
12:15-12:25	F. Graedler, Illumina, Essex UK - Hightroughput genome sequencing technology
12:25-12:40	V. Baranov / O.Glotov Otto Institute SPB About the GR project
12:40-12:55	M.Rotkevich - GR website and database

12:55 -

14:30 Lunch on your own

14:30-14:35	V.Brukhin - Commettes within GR
14:35-14:45	A. Gorbunova - DNA extraction and preparing the samples for sequencing
14:45-15:00	O. Bajenova - Cell lines
15:00-15:15	A.Yurchenko - Sequencing
15:15-15:30	N.Cherkasov - computer archetecture of GR
15:30-15:45	G.Tamazian - Data analysis
15:45-15:55	Stephen O'Brien - Summary

**15:55-16:30 Coffee Break**

16:30-16:45	S.Illarionovskiy Neurology Center (Moscow) About the Project GR
16:45-17:00	N.Bebyakova (Arkhangelsk) - How I collected samples: strategy, challenges, suggestions
17:00-17:15	I. Ilina (Syktyvkar) - How I collected samples: strategy, challenges, suggestions
17:15-17:30	S. Limborska - How I collected samples: strategy, challenges, suggestions
17:30-17:45	Proskokova (Khabarovsk) - How I collected samples: strategy, challenges, suggestions
17:45-18:00	Poplavskaya (Krasnoyarsk) - Why I am here? When and how many samples I am going to provide
18:00-18:30	Excursion to the Dobzhansky Center

**19:00 Dinner at "OLD TBILISI"****30.09.2015 SPSU Geographic faculty Hall, 33 10th line**

9:00-9:10	Gerasimova (Khanty-Mansiysk) - Why I am here? When and how many samples I am going to provide
9:10-9:20	S.Pchelina (Pavlov Med. Uni SPb) - Why I am here? When and how many samples I am going to provide
9:20-9:30	A.Rosinskaya (Vladivostok) - Why I am here? When and how many samples I am going to provide
9:30-9:40	S.Limborska - Why I am here? When and how many samples I am going to provide
9:40-9:50	E. Khusnutdinova (Ufa) - Why I am here? When and how many samples I am going to provide
9:50-10:40	Discussion on Logistics and othres
	1. Informed Consent
	2. questionnaire
	3. Samples labelling and tracking in the system
	4. Shipment

**10:40-11:10 Coffee Break**

11:10-13:30	Discussion (continue)
	5. Publication policy
	6. Press releases
	7. Return of the data
	8. Other topics
13:30-13:55	SJO - Conclusion and Closing
